<sup>a</sup>Plan may be a draft, final submitted version may reflect changes.

<sup>b</sup>Although not currently included, notes consideration for later inclusion

<sup>c</sup>New York will start including discipline in metric starting in SY 2020-21

<sup>d</sup>Nevada provides schools a 2% bonus for reaching 75% participation on school climate survey

<sup>e</sup>Other health and wellness measures include access to physical education or health classes, access to mental health supports, or physical fitness assessments

<sup>f</sup>Montana specifies "satisfactory attendance" but does not define this. As such, it is not counted as including chronic absenteeism. Further, although they specify school climate measurement, this is primarily a measure of program implementation
